And here we see the dark(???) side of the forums...sometimes anxiety will make me really self conscious of what I post so I end up going on the forums. Typing out a reply, and not submitting it Because of anxiety...

yeah. i got a bunch of panic attacks and general anxiety stuff, and i fortunately don't have a lot of panic attacks anymore. i got a counseller, and i'm looking into weekly counselling and official diagnosis; even though i don't have panic attacks as much, i still have some stuff™. but i'm in a better place than i was a year ago, thanks to help and my friends and family. i guess i'm lucky.

people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today
because i knew you
